

Join us at the 3rd annual "Be Ag-Wise"

Agriculture in the Classroom Professional Development Workshop
sponsored by Kansas Foundation for Agriculture in the Classroom and Kansas Farm Bureau

Designed especially for agriculture education presenters at the county level

Cooperative Extension Educators | Conservation District Managers | County Farm Bureau Agricultural Education Volunteers
Youth Presenters | Agricultural Educators | Teachers

Join us to learn how

THE FARMER GROWS A RAINBOW

From North Carolina Agriculture in the Classroom

Focusing on the link between the MyPyramid nutritional resource and agriculture with useful lesson plans and physical activity exercises for first through 5th grade students

Lessons to be covered:

- Main Course
- Three Reasons
- Four Goodness Sakes
- High Five Burger

Participants will have the opportunity to:

- Receive training for a variety of ag-based, hands-on learning labs
- Receive resource materials
- Share ideas that work
- Practice presentation skills
- Network with others
- Recap success stories from 2009 workshops
