

# Kansas Foundation for Agriculture in the Classroom

Thank you for your support of KFAC. Through your donations we provide agriculturally-driven teacher training workshops, free lesson plans, and participate in state-wide partnerships that create opportunities like Agriland at the Kansas State Fair.

KFAC will be at these upcoming events

July - KS Agricultural Education Conference  
September - Kansas State Fair

August - KS Governor's Summit on Ag Growth  
October - KS Dept. of Education Conference

The 2019 National Agriculture in the Classroom Conference was held in Little Rock, AR. Twenty-one Kansas agricultural educators made the trip and joined people from across the country to learn new strategies for including agriculture in their classrooms. Speakers included Temple Grandin, animal behaviorist and autism spokesperson. [Read more here!](#)

Come see us at the Kansas State Fair! Sept. 6-15.

Kansas Agriland is an interactive children's exhibit in the Pride of Kansas Building during the Kansas State Fair. Youth learn about the importance of agriculture and its impact on their lives. Over 325,000 people attend the Kansas State Fair every year.

## Agriland Partners

KFAC  
KS Beef Council  
KS Cotton Association  
KS Dept. of Agriculture  
KS Soybean Commission  
KS Wheat Commission  
Nutrients for Life

KS Assoc. of Conservation Districts  
KS Corn Commission  
KS Dairy Commission
