

# Kansas Foundation for Agriculture in the Classroom

## 2020 Teacher of the Year

We would like to congratulate our 2020 Janet Sims Memorial Teacher of the Year winner, Patricia Wolfe from Lakemary Center in Paola, Kansas. [Read more about her!](#)

## National Agriculture in the Classroom Conference

Twenty-one Kansas educators traveled to the National Agriculture in the Classroom Conference in Little Rock, Arkansas where they joined people from across the country to learn new strategies for including agriculture in their classrooms. [Learn more about their experience here.](#)

## Agriland at Kansas State Fair

Kansas Agriland is an interactive exhibit in the Pride of Kansas Building during the Kansas State Fair. Youth learn about the importance of agriculture and its impact on their lives. Teachers are connected with free lesson plans and resources. [Start planning your trip today!](#)

## Strawberry DNA Extraction

This lesson centers around the activity of extracting DNA from a strawberry while highlighting careers in biotechnology and agriculture. Check out the [full lesson plan](#) and the [resource kit](#).
